EUROCLONE PRESENTS

10X Genomics Day

@

Università degli Studi di Milano Bicocca

Spatial Biology Advancements: Xenium in situ Sequencing

**providing targeted measurements at
subcellular resolution with
high sensitivity and high throughput**

Speaker:

Diego Muzzini

Product Manager Euroclone

Host: **Dr. Veronica Krenn**

AULA: U3-07

Edificio: BIOS

Data & Orario:

21 Settembre 2023

14:00

In collaborazione con

10x GENOMICS
